

**GET FIREWISE**  
YEAR 1 AND 2

# Our Firewise Family

Our family is firewise. We know that matches and lighters are tools for adults to use.

If we find matches or lighters, we know what to do. We ask an adult to put them in a safe place.

We know what to do when we hear the smoke alarm, too. BEEP, BEEP, it goes. It's really loud, but we're not scared. We know what to do.

We don't wait for Mum or Dad.

We just get out of the room FAST.

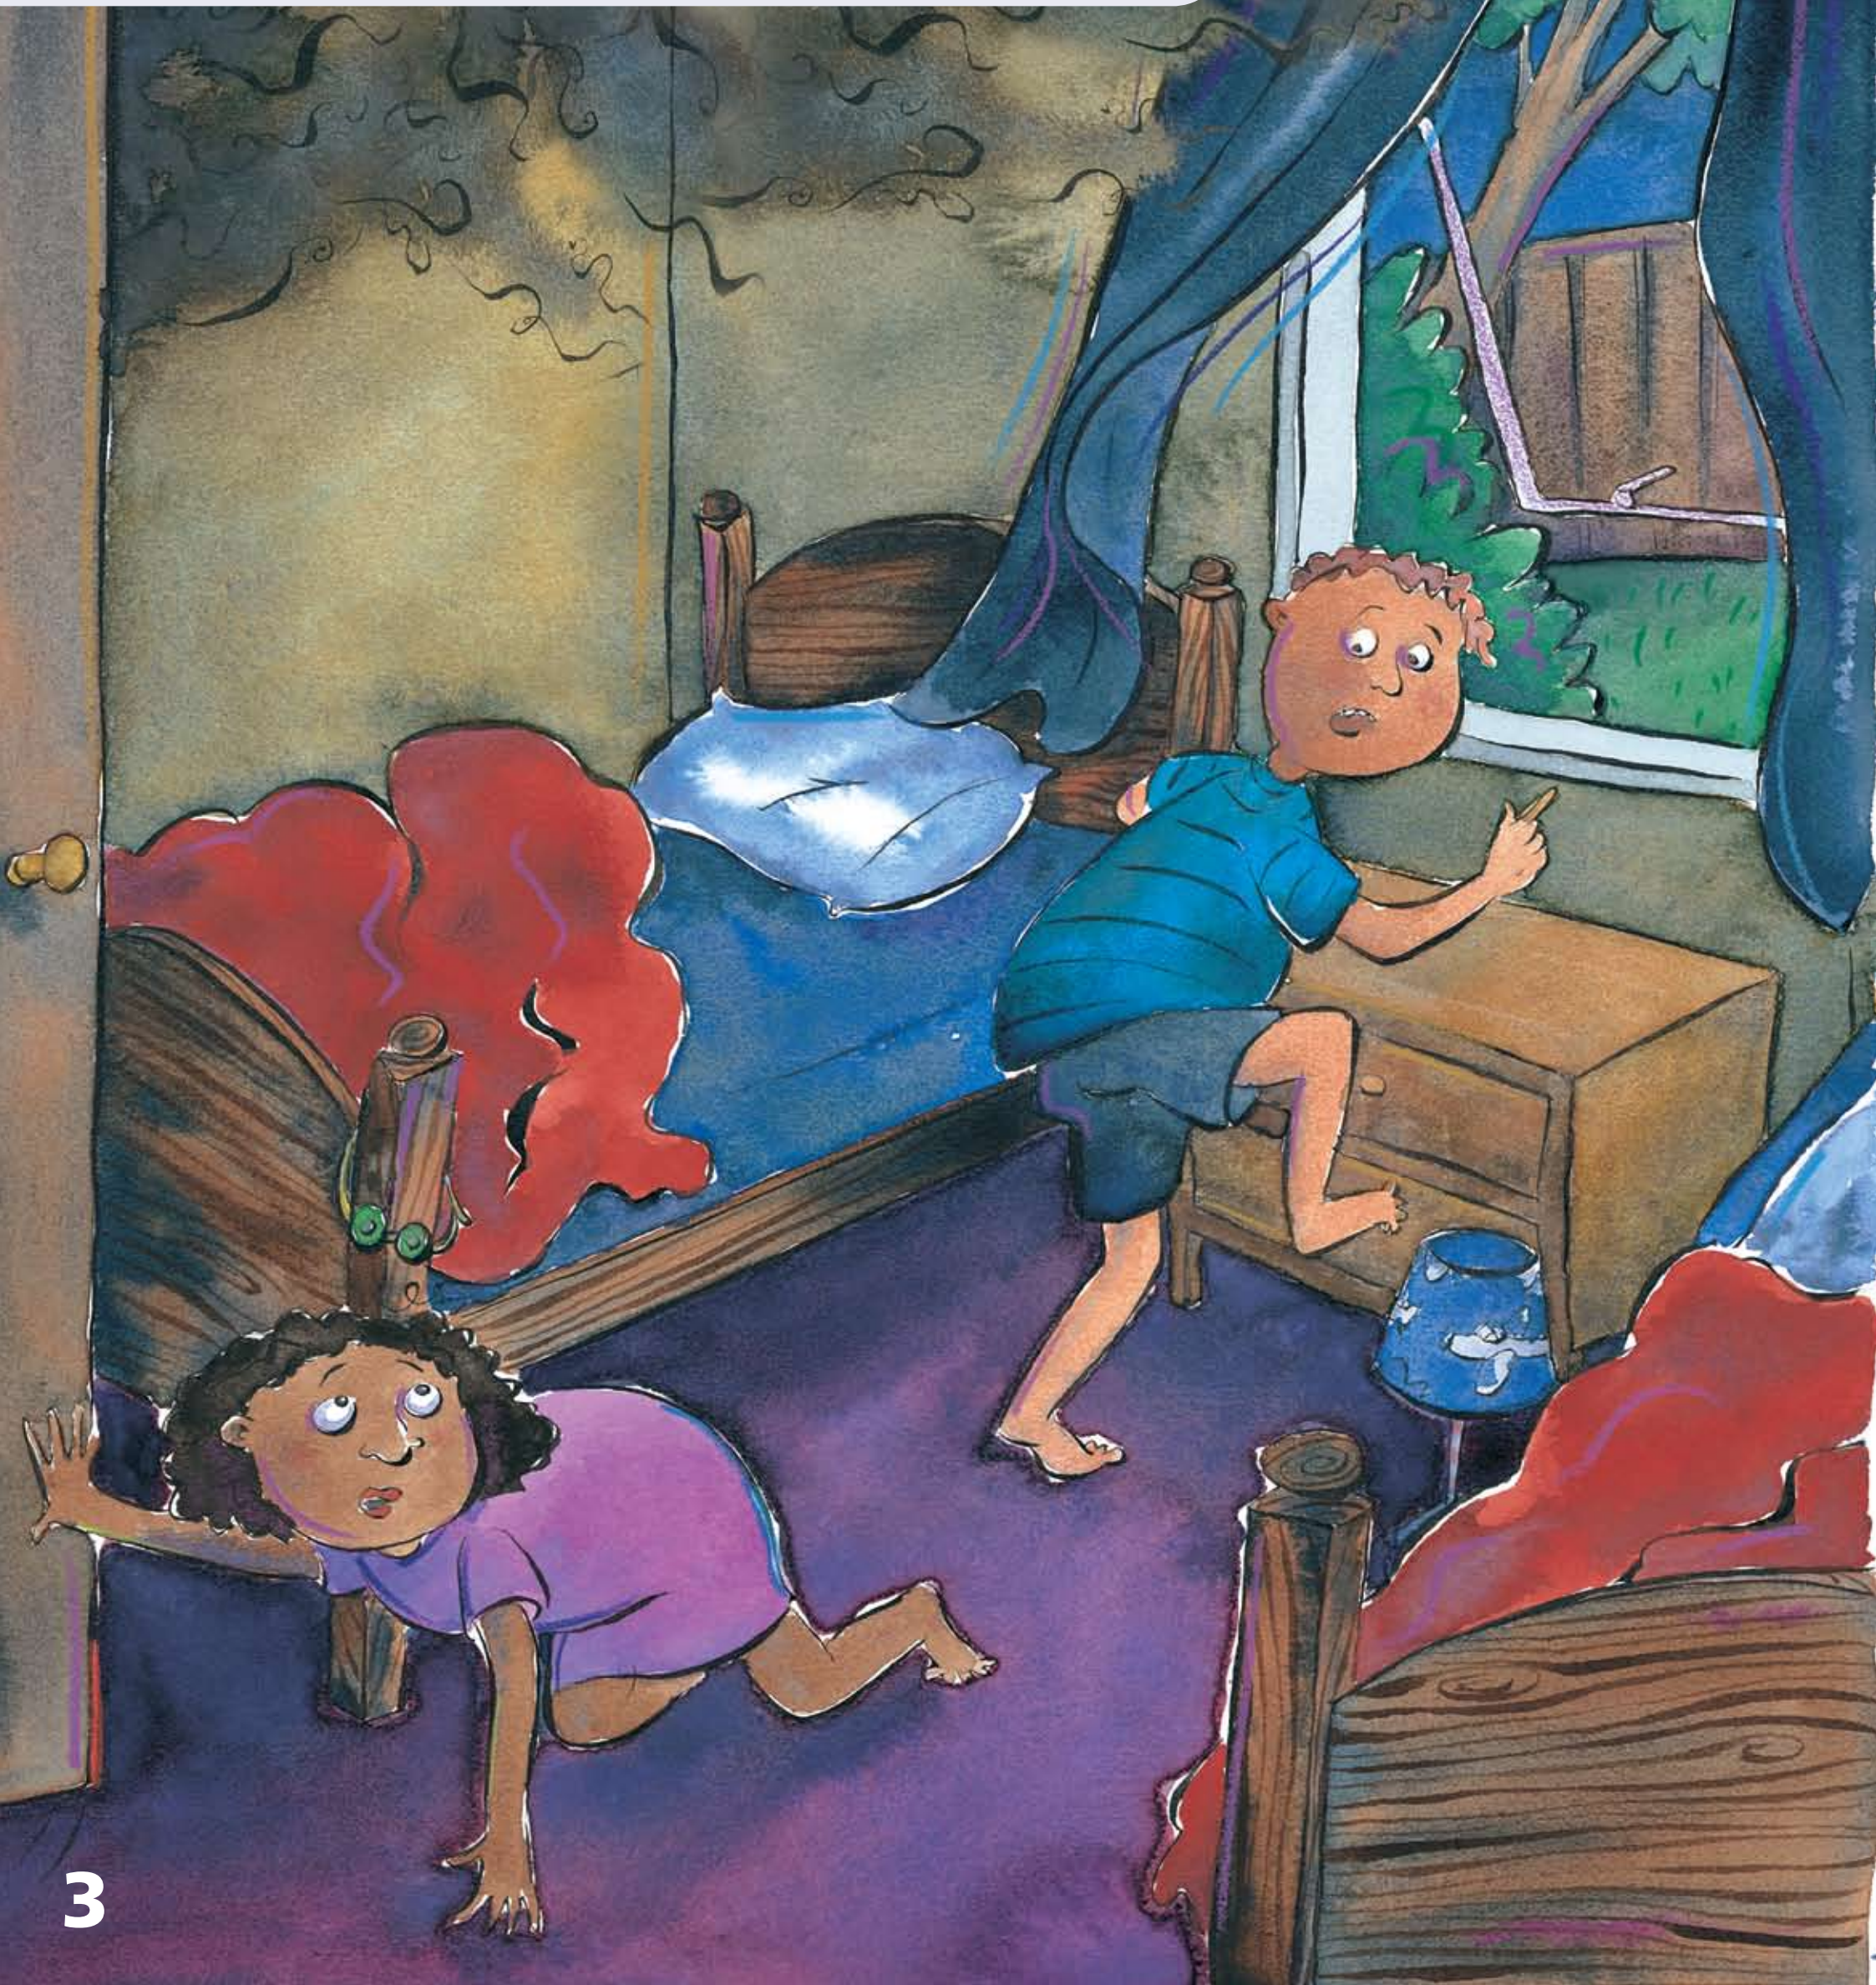

There is smoke coming through the door! We can't get out that way.

We shut the door to keep out the smoke.

We climb out the window FAST.

We shout FIRE, FIRE, FIRE!

Out of the house. We know what to do.  
We go to our letter box. That's our safe  
meeting place.

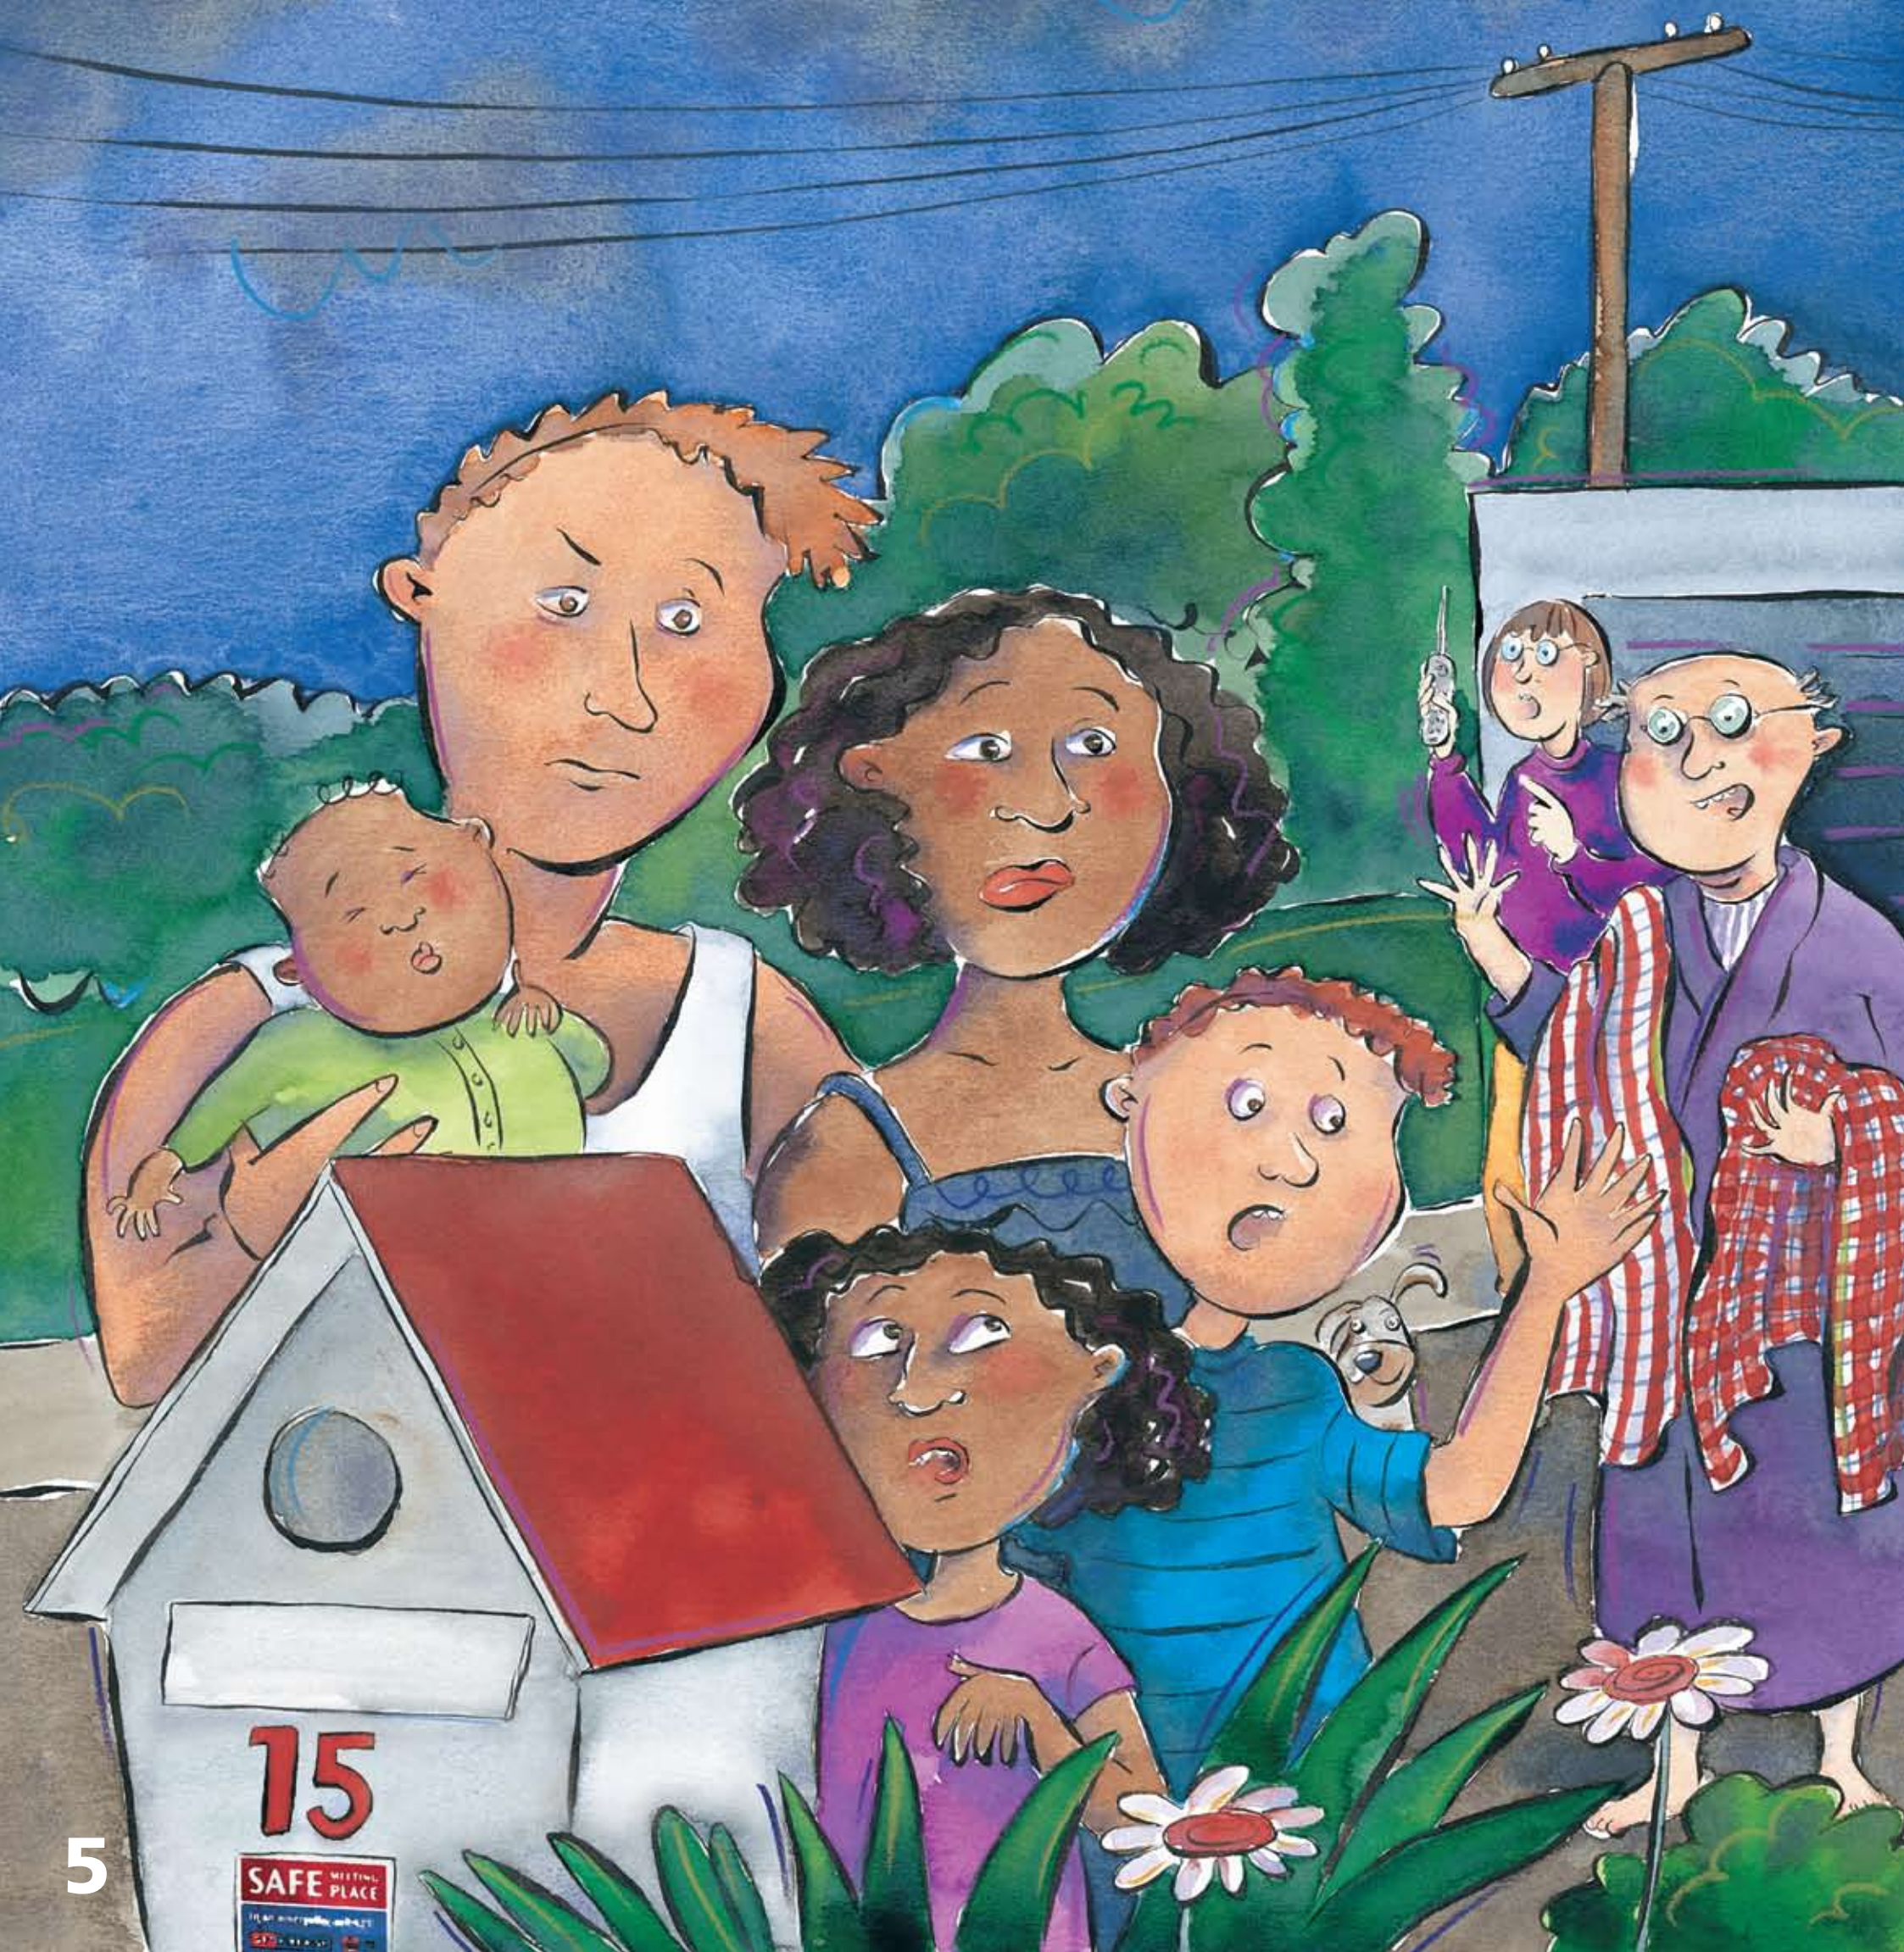

We shout FIRE, FIRE, FIRE!

Here's our firewise family. Everyone is at the safe meeting place. We're all out of the house and safe from the fire.

Our neighbour calls 111.

The firefighters come to help.  
They check that we're all safe.  
Then they quickly put the fire out.

Our family is firewise.

We know what to do if  
there is a fire in our house.

Now you know what to do.

Now your family can be  
firewise, too!
