

Fire Related Product Recall Notice

Date issued: 23 May 2016

Alpine PDR Series Amplifiers

Alpine has recalled all PDR-F50, PDR-M65, and PDR-V75 amplifiers from the market for inspection and replacement.

Problem

Some Alpine PDR Series Amplifiers are being recalled as they don't have enough insulation and could overheat and cause a fire.

Details

The models affected are PDRF50, PDRM65, PDRV75. They were sold at Alpine stockist from August 2015 to December 2015.

What to do

Contact the retailer you bought your amplifier from to have it replaced for free. There will be no charge to you for the removal and replacement of the amplifier(s)

Contact

For more information, phone the importer/distributor on (09)4156680 or email garethl@soundgroup.co.nz
