

Fire Related Product Recall Notice

Date issued: 02 September 2014

Best Buy 4 Outlet Powerboards

Supercheap Auto has issued a recall of certain Best Buy 4 Outlet Powerboards sold in New Zealand due to a potential fire hazard.

Problem

The powerboards do not comply with electrical safety requirements for fire resistance and secure connection.

Details

The affected models carry the numbers LA025A and LA025B and were sold at Supercheap Autos from October 2003. Model numbers can be found on the rear of the powerboard.

SAA111929EA **LA025B**
Total loading
10A 250V AC 2400W
For indoor Use Only

Model Number

These are the only models effected by this recall

What to do

If you have one of these models of Best Buy 4 Outlet Powerboard, stop using the powerboard immediately and return it to your nearest Supercheap Auto store for a full refund.
