**Information Request – Latest organisational chart showing all FENZ positions**

I refer to your official information request dated 7 November 2018 asking for a copy of Fire and Emergency New Zealand's organisational chart.

In accordance with the provisions of the Official Information Act 1982, I *enclose* a table showing the positions and reporting lines of the top three tiers of our organisation. Please let us know if this meets your needs.

Please note on 29 October 2018, Fire and Emergency made decisions on a new structure for the Senior Leadership Team. These new positions will commence in February 2019.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602. Note also that this response (with your personal details removed) may be published on the Fire and Emergency website.

Yours sincerely
