Information Request – Map of all fire regions and the fire areas within these regions

I refer to your official information request dated 23 November 2018 asking for a map of all fire regions and areas.

In accordance with the provisions of the Official Information Act 1982, I *enclose* a map outlining the requested information.

Please note that the current operational boundaries, as set out in the attached map, may change as we work through a new structure for Fire and Emergency.

Note also that this response (with your personal details removed) may be published on the Fire and Emergency website.

Yours sincerely
