

# Fire Related Product Recall Notice

**Date issued:** 4 November 2016

## Poppy Desk Lamp

Ezibuy Limited has issued a product recall on the Poppy Desk Lamp sold by them in New Zealand. The Poppy desk Lamp has been sold nationally from 7 February 2016 until 26 October 2016.

### Problem

The product is being recalled because of an electrical fault. The lamp has loose connections at the cord line switch which may lead to a fire.

### Details

Only Poppy Desk Lamp model number LSSAT391 is involved in this recall. The Ezibuy style number is 151018. Other models are not affected.

### What to do

Stop using the poppy desk lamp immediately.

Turn off the power and unplug the lamp.

Do not operate the product.
