

Fire Related Product Recall Notice

Date issued 16 October 2013

Slim Heat panel heaters

Slim Heat Limited has issued a recall on 425W panel heaters sold in New Zealand by Bunnings.

Problem

The affected Slim Heat panel heaters may overheat, causing the safety fuse to form a hole in the control box causing a potential fire risk.

Details

Slim Heat panel heater 425W model PH-08H.

Brand and model number markings can be found on the control box, as indicated in the image.

Model number markings on control box

The heaters were sold at Bunnings stores between April 2011 and October 2013.

What to do

Stop using the heaters.

Return the product to your nearest Bunnings store for a full refund.

Contact

For more information phone 0508 432 837 or email sales@slimheat.co.nz.
