

**Te Ākau Rawiri**

Firefighter,  
Ōmāpere Volunteer Fire Brigade.

Crew Member,  
The Lawn Brigade.

# 80% of firefighters in Aotearoa are volunteers.

People like Mitch from Twizel, or Te Ākau from Ōmāpere. They're tradies, farmers, teachers and accountants... until they're not. When they drop the tools, and get out there to do life-saving mahi in their community.

Our volunteer firefighters, operational support, brigade support, and medical first responders wouldn't be able to do any of this important mahi without the support of our Proud Employers.

**Look out for this mark.**
